ABOUT THIS FONT SET

You've heard the old saying, "An image is worth a whole lotta keystrokes." Take the day off from crafting 1,000 words and declare yourself in pictures instead. Democracy is listening.

HOW IT WORKS

The boxes above represent [keys] on your keyboard. When you have selected this font in your application and then choose a particular letter, number or symbol [key], the icon you see indicated above will appear

instead of the usual character. Note that pressing your upper/lower case [keys] will change which symbol appears, so mind your fireflies and pizza pies.
