

I SAY

```
graph TD; A[I SAY] --> B((GO)); B --> C[THERE]; B --> D[HERE];
```

The diagram consists of several elements: a trapezoidal box at the top containing the text 'I SAY'; a hand pointing to the left on the left side; a central oval containing the text 'GO'; and two rectangular boxes at the bottom containing the text 'THERE' and 'HERE'. A line connects 'I SAY' to 'GO' with a downward-pointing arrowhead. A line connects 'GO' to 'THERE' with a horizontal arrowhead pointing left. A line connects 'GO' to 'HERE' with a horizontal arrowhead pointing right. An upward-pointing arrowhead connects 'HERE' to 'GO'.
